Introducing:

The BM30/BM50 Tag Dispenser – the easy way to feed your tags

“Do you hand apply your tags? Do you want to improve the speed and efficiency of this process?”

- Designed for easy tag tear off - reduce tag waste by up to 25% by minimising the risk of tearing off more than one tag
- Increase your usage speed by up to 30%
- Decrease waste through roll damage - better storage and protection
- Available in stainless steel or powder coated
- Wall mountable option available

Call your dedicated Area Sales Manager to discuss how our dispenser could work for you!

Did you know?

As a committed and prominent supplier to the food industry the Piroto Team have all completed their Level 1 Award in Induction to Food Safety for Manufacturing. Hygiene is critical to our customers' businesses and therefore important to Piroto.

Much of what we do has been developed in answer to a customer's needs or requirements or to support what is important to them.

What else can we do for you?

Free Origination

Piroto's dedicated team of consultative Sales Managers will be available to carry out a free label audit to help reduce your costs.

They will advise on any cost saving, bring you up to date with the latest developments in label technology and establish whether you qualify for our offer of

FREE ORIGATION.

If you are interested in saving time and money and would like to arrange your free label audit, we would love to hear from you.

Charity Donations

In 2012 our continued money raising efforts allowed us to reach a grand total of £2,500. Throughout the year we hold multi days, a Christmas raffle, Christmas card donations and more to collect money for numerous local charities. Following feedback received from the Team and after considering the support given to members of staff and their families over the last year we decided to distribute this year's money between three local charities:

- Marfan Trust
- Cynthia Spencer Hospice
- Animals in Need Northampton

Piroto Profile – Pre Press

We would like to introduce Dan Hawkins who joined Piroto six months ago as our Pre Press Assistant. Dan co-ordinates the set up of our machines and supports the Printers to ensure the smooth running of our print operation.
