WORKING FOR YOU THE CUSTOMER

As a company, Pirot always do their very best to respond to any of our customers' requests or suggestions.

■ BRC/loP Accreditation-Level 2

A number of our customers suggested Pirot underwent a further audit to receive re-accreditation to the higher level 2. **This has now been achieved!**

Are there other areas or trials we can work on for you?

Then contact us Now! Tel 01604 646600

- Investors In People since 2001
- Reviewed every 3 years
- 2010 re-accreditation achieved

A review carried out on 28th June 2010 has once again, thanks to the commitment of our staff, seen the team achieve Investors In People standard.

CONTINUOUS IMPROVEMENT FOR KAIZEN

- Kaizen (Japanese for "improvement")
- Initially introduced to Pirot in 2002
- A saving of 2,830 analysed hours over 5 years
- 2010 re-introduced as Continuous Improvement

Moving forward with Kaizen to keep "Continuous Improvement", the Team were asked to design a C.I. Logo. The chosen design shown will now appear on internal and some external documents.

HAVE YOU HEARD? WE'RE GETTING GREENER!

In line with Pirot's environmental policy and with commitment to ongoing care for the environment, we recently looked at what further actions could be taken to improve our carbon footprint and reduce our landfill waste.

An audit carried out by the Carbon Trust helped us to identify areas of improvement, and some of their recommendations are starting to be implemented.

To also assist us in reducing landfill waste we now have a baler to compact and bale all shrink wrap and banding, the recycling of which has seen a huge reduction in our landfill waste. This adds to the recycling we already carry out of our card and ink waste.

In addition new cold UV units, using 82% less energy in standby mode, see energy savings around 35%. **All contributing to a more greener and energy efficient Pirot!**
